Today in Orio al Serio, province of Bergamo, the blessing ceremony called "Festival of the Family and True Love" was held. It was a splendid ceremony attended by a total of 90 people. The blessing was given to 9 couples and 4 widows. The

leaders of the Hare Krishna community also took part. The event was of great spiritual intensity, truly the descent of the Holy Spirit was felt during the ceremony of holy wine, holy water and the subsequent prayer of blessing. Many have cried of profound emotion. The participation of brothers and sisters made it possible to realize this event in a very official form in a

beautiful auditorium, richly decorated with floral decorations made by the Japanese sisters. The choir of Bergamo played an important role in raising the spiritual atmosphere. We thank all the brothers and sisters for contributing to this unforgettable experience that we can consider a milestone for future events.
