Hello everyone, we're pleased to announce a CONTEST for a new STF Logo! As you might know, STF Europe is a program that wants to inspire the youth in our movement.

"To Establish Our Identity as Heavenly Parents and True Parents Children and to Take Ownership of Their Dream."

Hence, to support them, we want to implement elements of Hyo Jeong in our new logo.

We are looking for submissions in form of vector graphics files or min. 2000px x 2000px. The deadline for submissions is the 30th of June, sent to sdynowski.stf@gmail.com.

The winner will receive a special STF hoodie with the new logo and their name on it, as well as international recognition for their work.

We're looking forward to receiving your submissions!
