

STF Europe 2021 – Registration Now Open!

Deborah Cali
July 27, 2020

On behalf of the STF staff, we want to express our gratitude and appreciation for all the investment you have poured into the younger generations in your nations, especially in these difficult times we currently live in. We are so moved to see the numerous online initiatives that have taken place and are still running by the young members of our movement.

We are very aware of the challenges that this new pandemic has brought into our everyday lives, so much so that we were forced into an earlier closing of our program back in March this year.

Due to our early closure, we believe many of you might have questions about our program, and we'd like to answer them in the full extent of our capabilities.

We want to share with you the information and plans we have for the next STF year. Our course will begin in 18th January in Poland and end on 1st August 2021.

We are aware of the uncertain future ahead due to the pandemic situation, but we are confident that we can adjust the program to fit into the reality of the coronavirus and all the restrictions dictated by the European countries. We developed a few different strategies with our staff to be able to adjust to different possible scenarios.

Our primary focus will be on studying the Divine Principle and witnessing, with fundraising still being involved into our schedule. The pilgrimage to Korea is unfortunately not going to be part of our schedule for this year. There will not be a break in the middle of the year for the participants to go home, but we will do our best to make sure that the parents workshop in Easter will happen if the circumstances will allow it.

The fee for the entire duration of the course will be 1000 euros.

We sincerely hope to see many young members from the Europe and Middle East region join us for the next STF year.
