Letter to members who keep their distance

Dear

Regarding the recent important developments in our movement, we kindly ask your attention for the following.

Since True Father has gone to the spirit World, a time of great changes and renewal has started on the way to "Foundation Day".

For most of us, this is a time of reflection and a new beginning. True Mother is in charge now and is supported by True Father from the spiritual world, who is often in her company. True Mother repeatedly emphasizes, that we should now return to the inspiration and enthusiasm of the early days of our movement. True Mother wholeheartedly invites all blessed families to make a fresh start and leave behind as much as possible the difficulties and pains of the past.

True Parents, together with God, have invested their entire lives for God's Providence and have been victorious over the fierce opposition of the fallen world. Their long course of sacrifice is going to bear fruit in a special day, which is a climax in the history of humankind. That day is "Foundation Day", 13th of January of the 4th year according to the heavenly calendar, which means 22nd February 2013 according to the solar calendar. This day marks the beginning point of Gods Kingdom. True Parents would really want to share this day, this important milestone in God's Providence, with as many people as possible, first of all with all the families that have received the Blessing. True Mother on earth and True Father in the spiritual world have a deep desire to embrace everyone of us on that day and to inaugurate the New Age together with us in celebration.

We would really appreciate to have the opportunity to inform you more deeply about the afore mentioned. Soon a person of our secretariat will approach you on this. Finally, we wish God's Blessing upon you and a good time of celebrations in the upcoming December month.

Heartfelt greetings.

Hans Campman
