

WFWP Texas' chapter organizes an International Family Night Blessing event

Justine Cherutich
May 25, 2019

The Women's Federation for World Peace (WFWP) Texas chapter organized an International Family Night, co-sponsored by the Family Federation for World Peace, on Saturday, May 25th, 2019. The event brought our community and guests together and it turned out to be a fun night for everyone. We had a total of four guests who were excited to have found us.

There was a dual focus to the event: one was to invite couples to re-dedicate their marriages and the other was to hold a fundraiser for the WFWP Schools of Africa project as well as a local scholarship fund. To raise funds, our chapter sold raffle tickets. Prizes included a 50 inch smart screen TV, headphones and a 100 dollar cash prize. The TV and headphones had been donated by our WFWP member Laura Lea.

A band had been invited to perform for the evening and different ethnic groups (Africans, Japanese and Americans) each performed a song. Adding to our enjoyment of the cultural entertainment, two beautiful poems were then recited before the rapt audience. This was followed by a delicious dinner

prepared by Ester and Mrs. Fusae Jackson.

There was a short presentation on the genesis of the Schools of Africa and their sustainability. A moving testimonial video of a student who graduated from one of the schools was shown to give the audience an idea of the powerful impact their dollar donation can have on many young lives.

The presenter also delved into the reason WFWP promotes healthy marriages and families and after this presentation, we all made a toast to marriage renewal.

The evening ended with the drawing of the raffle tickets, the moment that had been awaited with much anticipation and fun. In the end, we collected over a thousand dollars. We would like to express our sincere gratitude to all of those who were able to buy raffle tickets, Laura who donated the prizes and all the ladies who helped sell the tickets. Thank you all!
