

## Father's Suffering Ends in Joy

When we think of Father's suffering life we usually think of his many prison tortures. Father is the only person I have heard of who escaped from prison by being thrown out as garbage because his experienced torturers knew he would surely die. Father was tortured by the Japanese, the North Koreans and the South Koreans. He was imprisoned in Danbury, Connecticut when he was in his sixties.

Father says his prison tortures were just tiny potatoes compared to what he went through with Hak Ja Han. In Mrs. Gil Sa Ja's book, "A Testimony to God's Word", Father is quoted on page 268 as saying that his many tortures were easy to endure compared to the suffering he experienced in raising Hak Ja Han. He even said he would have refused the messianic mission if he had known how much he would suffer with her.

In 2009, Father said it was absurd to call Hak Ja Han the wife of True Parents or the wife of God because she had not yet accomplished the servant level. He also said we have no idea how audacious she was, that she lives as she pleases oblivious to heavenly law, and that she would be hunted if she tried to proclaim herself the wife of True Parents because she is a fallen woman.

If Hak Ja Han could not yet accomplish the servant level after 49 years of marriage to the messiah, she truly was a poor student. It also means that Father's 52 years of marriage to Hak Ja Han were full of incredible suffering as he unsuccessfully suffered and struggled to raise her up. The Han mother rebellion began during Father's final years on earth. He has suffered to the grave and beyond in the spirit world until the historic event on September 23, 2017.

Father cancelled the completed level Blessing, saying that the God of Night and the God of Day were fighting.

Finally Father's tremendous suffering with Hak Ja Han has ended and he has entered the Garden of Eden with a victorious True Mother Kang and his victorious Cain and Abel sons. How proud and happy Father must be with them to finally accomplish what Hak Ja Han denied him while he was on earth.

How many times have we heard Father speak? How many times have we read his speeches? I feel like a spiritual sloth because I am so slow to grow and change. Hyung Jin Nim is so frustrated sometimes because we are not preparing for the judgement time coming. If he had not shaved his head, he might be bald anyway by pulling out his hair.

True Mother Kang is a very different type of person. She responded to Father's prayer without even knowing who he was. She had never met him, seen his picture, or heard him speak one word. She didn't even know his name. After Father finished writing the Divine Principle, he prayed for God to send him Christian saints to help spread the new truth. God's answer was to send him True Mother Kang. At 26 years old, she was certified as a living saint by the Almighty God. Then this tiny woman went out alone with only Father's prayer to plant the seeds of the Unification Church. She fulfilled Father's prayer. For 65 years, True Mother Kang has been fulfilling Father's prayers.

Never again will the God of Night and the God of Day fight.

Finally Father is entering Eden. He is liberated from the Hak Ja Han tortures. All mankind has a new way forward.

Hallelujah, Aju and Amen.
