May 29, 2018

Dear Families,

We wanted to remind you of the exciting opportunity coming up at IPEC in June. On June 13-19, we will host our first-ever national lecture training intensive at IPEC, for the purpose of raising up new lecturers of the Divine Principle.

The program will consist of one-on-one lecture practice, as well as guidance about the spiritual and practical aspects of lecturing. Upon successfully graduating from the intensive, participants will be certified to teach the Principle at the levels of either a 1- or a 2-day workshop.

We are also working on a 3-month follow-up program, which will include scheduling workshops in participants' home communities and guidance about how to apply the Principle in their daily lives.

If you know of anyone in your community, regardless of age, who might be interested in this opportunity (including yourself!), please forward them the following application link:

A limited number of scholarships are available for applicants ages 18-40! Reach out to your sub-regional director for more information. If you need help contacting your sub-regional director, contact Gregg Smith, IPEC operations manager, at divineprincipleretreat@unification.org.

Applications are due by Friday, June 1, 11:59:59 PST!

Thank you, and God bless,
