

FFWPU USA TribeNet: Our Three Major 2024-25 Marathon Campaigns

September 11, 2024

Hi Heavenly Tribal Messiahs and CheonBo Families!

We hope that you and your families are doing well during this historic Providential time!

As many of you know, our American Movement is conducting three major 2024-25 Marathon Campaigns to offer significant results to Heavenly Parent and True Mother at the time of the opening of the Cheon Won Gung in April, 2025.

The first offering is 1,000 new members, the second is 1,000 couples to attend the 2025 Cosmic Blessing and the third is a donation of \$10 million to the Cheon Won Gung. Members throughout the nation are already investing great effort in these campaigns!

We encourage all Heavenly Tribal Messiahs and CheonBo Families to support these campaigns, especially the Cosmic Blessing Campaign. It provides a tremendous opportunity for you to bring at least one of your HTM [Heavenly Tribal Messiah] Blessed couples into the Cosmic Blessing officiated directly by True Mother. The result is a Blessed Central Couple and Family most beloved by Heaven!

Following are details about the Cosmic Blessing process:

1. The Cosmic Blessing Couple is invited to attend the Cosmic Blessing ceremony at Chung Pyung in the middle of April, 2025 (the exact date will be specified).
2. A Blessing donation from each couple is required (the amount will be announced soon by International Headquarters).

3. Accommodations will be provided at no cost in Korea but couples are responsible for travel to and from Korea.

4. After the Cosmic Blessing, couples are to complete the 40-day separation and 3-day ceremony.

Our TribeNet Support Team is working closely with the Blessed Family Ministry Team to provide great support for you in inspiring and educating your HTM Blessed Couples for attending the Cosmic Blessing.

We hope to work together with you! Please let us know if you would like to participate in this Cosmic Blessing Campaign by completing the following form.

THE HTM TRIBE COSMIC BLESSING JOURNEY

September 10, 2024

COSMIC BLESSING

“True Parents are giving the Blessing to all people in the physical world, irrespective of religious, national or cultural backgrounds. They are linking them all on earth, thereby realizing the realms of liberation of the individual, family, tribe, people and nation.

This is also possible in the spirit world. On earth, we link people together into a nation that loves the Heavenly Kingdom and the cosmos, our Heavenly home. The spirit world and physical world have to be made one, and every issue within those worlds has to be resolved, centering on the True Parents on earth.

To achieve this, the Blessing must be given at all levels, to individuals, families, tribes, peoples, nations and the world, up to the cosmos.

As the realm of the oneness of Blessed families unfolds in the spirit world and physical world, it sets the foundation for the ideal Kingdom with unfallen Adam at its center. On that foundation, all families since the beginning of history will be in a position of equal value. The kingdom of Heaven on earth and in Heaven will emerge, and God will come and dwell there.”

True Father Moon, September 9, 1999

An open book with a gold ring resting on it. The text '40-DAY ABSTINENCE' is overlaid in a dark box. The book's pages contain text in Portuguese, including 'e renovar.', 'equiel, que lhe representa', 'ória, que lhe representa', 'dos querubins.', 'designou por uma', 'para vir aos', 'para vir aos', 'para vir aos'. The ring is a simple gold band, positioned over the text. The background is a close-up of the book's pages, with the text slightly blurred.

40-DAY ABSTINENCE

“Do not ever think that just as soon as you get married you will begin married life immediately. No, Jesus took 4,000 years to arrive on earth; even after his crucifixion it took 40 days for the resurrected Jesus to come back and work on earth. For you too, the time after Blessing is vital.

This purification period is very important. You should be united in spirit first before you unite in body, and so a minimum 40-day condition of separation before consummation is absolute.”

True Father Moon, May 20, 1978

- The purpose of the 40-day abstinence is to reset love in marriage by prioritizing spouse's happiness over personal desires.
- Change requires doing something different; the 40-day period is an intentional step toward change.
- Successfully completing this period restores the proper order of love in marriage.
- The spiritual significance is power in a sincere, sacrificial heart during a 40-day period.
- The decision to undertake this journey must be mutual between husband and wife.

3-DAY CEREMONY

“When you finally meet as husband and wife physically, there will be a 3-Day Ceremony. For three nights you will have to go through certain procedures. All the Blessed members will have a special lecture and receive special instruction on how to go through the this ceremony.

The 3-Day Ceremony signifies that women physically give up their position and physically give birth to their husbands. Afterward, restoration has taken place.”

True Father Moon, May 20, 1978

- The 3-Day Ceremony follows the successful completion of the 40-day abstinence. It aims to restore the misuse of romantic/sexual love in reality. A special heirloom is received from True Parents
- The ceremony signifies a new beginning and restoration of marital intimacy. It symbolizes correcting the self-centered nature inherited from the first couple and transitioning to a God-centered love, thus marking the couple's symbolic inclusion in God's family.
- The ceremony involves three days of love-making designed for this restorative purpose. It's considered the most significant element of the Blessing. Clear instructions and prayers are provided for the ceremony.

- The first couple's failure led to a family tree rooted in self-centered love. God's solution: plant a new, healthy family tree through a Blessed marriage. The new family tree will belong to God, leading to a world of peace.
- People must choose between remaining in the old family tree or joining God's family tree through the Blessing and 43-Day Journey.

A romantic couple is seen from behind, embracing in a vast field of tall, golden-brown grass. The man, wearing a white t-shirt and blue jeans, has his arms around the woman, who is wearing a plaid shirt and black pants. They are looking out over a landscape under a bright blue sky filled with large, white, fluffy clouds. The overall mood is peaceful and affectionate.

GRATITUDE OFFERING

“If after offering devotions you receive a special blessing, you should always offer a donation of gratitude to God.

Heaven does not want petty cash. It must be money for which you invested your heart and mind with devotion. You should not just casually donate the money you find in your pocket. Before you donate, you should keep it with you at least three days as a way of sanctifying the money.

You should invest your life and assets. Anyone who does the same will prosper for eternity. That person's descendants will be blessed.”

True Father Moon, June 14, 1987

- After completing the 40-Day Abstinence and 3-Day Ceremony, couples make a gratitude offering. The suggested donation is a number divisible by 21.
- The offering supports the Blessing movement and helps spread its purpose.
- It symbolizes living for the sake of others and the couple's new beginning.

A large, leafy tree stands in the center of a field of purple flowers. The sky is a clear, vibrant blue. The scene is bathed in the warm, golden light of a sunset or sunrise, with long shadows cast across the field. The overall mood is peaceful and serene.

BLESSED CENTRAL FAMILIES

“Whether you are Blessed as newlyweds or previously-married couples, you have now been granted Heaven's command to walk the path of a true husband and wife with Heaven's seal.

By your bond with the True Parents, you have received the seed of true love, so I ask that you become true husbands and wives who produce true fruit through a true married life.

Become true parents, build true families and establish true nations. Heavenly fortune will assist you. I sincerely ask that you lead lives in which, by practicing true love, you do everything you can to prepare for your eternal life.”

True Father Moon, August 20, 2005
