

FFWPU USA Blessing and Family Ministry: Announcing Blue Dragon Matching Suggestion - An Opportunity for True Mother's 2025 Cosmic Blessing

Carina Mendez
October 17, 2024

Dear All,

We are excited to share the *Blue Dragon Matching Suggestion*, a unique opportunity for candidates preparing for the 2025 Cosmic Blessing to explore potential matches in a thoughtful and guided process. This program is designed to help individuals gain confidence in talking to different people, exploring potential matches, without the pressure of an official matching conversation.

If you're open to exploring potential matches in a guided, prayerful process, the *Blue Dragon Matching Suggestion* could be the opportunity for you. The goal is to give candidates the chance to engage in 7-day conversations, helping them discover if they'd like to continue talking beyond that period.

The flyer features a blue header with the title 'BLUE DRAGON MATCHING SUGGESTION' and an image of dragon eyes. Below the header, it asks 'DO YOU WANT TO RECEIVE THE BLESSING IN APRIL 2025? SIGN UP FOR THIS PROGRAM TO RECEIVE A MATCHING SUGGESTION!'. The 'PROCESS' section includes three stages: 'Prayer Week' (represented by a sunburst), 'Receive a Matching Suggestion' (represented by a lightbulb), and 'Conversation Week' (represented by two people talking). A flow diagram shows 'Receive another Suggestion' leading to 'Decision', which then leads to 'Continue Communication after 7 days'. It states 'TOTAL OF 7 CYCLES From Oct 20 to Feb 1'. At the bottom, it says 'JOIN WHEN YOU ARE READY. LEAVE WHEN YOU ARE READY!' and includes a QR code and a link to learn more.

How Does the Program Look?

The *Blue Dragon Matching Suggestion* runs in 2-week cycles, with a total of 7 cycles available to participants. Each cycle provides a fresh opportunity to receive a new matching suggestion. However, suggestions are based on the available pool of candidates, including considerations of gender, generation, and age. Therefore, while the committee will do its best to provide suggestions, you may not receive one every cycle.

- **Week 1 (Prayer Week):** During this week, the Matching Committee will spend time in prayer to create thoughtful suggestions for each candidate. We encourage not only the committee but also parents, candidates, and matching supporters to join in prayer throughout this week. You can find the *Prayer Week* dates on our [website calendar](#).

- **Week 2 (Conversation Week):** This week provides candidates the chance to have a 7-day conversation with their suggested match. The purpose is to explore whether they'd like to continue talking beyond the initial conversation. Regular check-ins with parents or matching supporters are highly encouraged during this process. It's a chance for personal growth without the pressure of making big decisions right away.

Parental and Matching Supporter Involvement

The role of parents and matching supporters is crucial to this process. We encourage parents to stay involved through regular check-ins, offering guidance, prayer, and support. We'll also provide minimal guidelines to help structure these conversations, ensuring that the process can go as smoothly and productively as possible.

We also recommend that parents (or matching supporters if parents are not involved) meet at least once during *Conversation Week* to discuss the match and get to know each other. Open communication and prayer from everyone involved are key to making this experience meaningful.

Why Join?

This program challenges candidates to step outside their comfort zones, build communication skills, and overcome any fears around engaging with new people. The *Blue Dragon Matching Suggestion* offers a supportive environment, focusing on exploration and growth.

By joining, you will:

- Challenge yourself through meaningful conversations
- Build confidence in talking with new people

- Receive support from parents or matching supporters through regular check-ins

How Does This Help Me Find a Spouse?

While these are **matching suggestions**, the program creates a valuable opportunity to explore meaningful connections in a spiritual, structured environment. You'll have the chance to engage in several cycles, with up to 7 potential suggestions, broadening your opportunities to meet other candidates.
