Get Ready for The EPIC

Dear Brothers and Sisters,

True Mother is deeply excited about the upcoming **Cheon Won Gung Entrance Ceremony** on April 13, 2025. It will also be the time where True Mother reveals the *Korean Epic*—a profound and mystical narrative of the Korean people and their historic mission. Furthermore, True Mother has asked us in the USA to play a central role in promoting these historic events to our worldwide members.

In response to this, we are pleased to announce a special event on **Sunday, January 19**, at **IPEC in Las Vegas**, titled **“Get Ready for the EPIC.”** **During this event, which will be broadcast online, we will be preparing a special promotional performance for True Mother to be able to share with the world.**

In preparation for this event, a **two-day workshop** will be held on **January 17–18** at the **South Point Hotel and Casino** in Las Vegas. Hosted by our full-time youth missionaries, the workshop will include education on **True Parents’ life course** and a special **masterclass** to prepare participants to support this providential effort. If you are interested in joining or bringing a new member, please coordinate through your **local pastor**. Registration is already organized through the **subregional offices**.

Let us answer True Mother’s call and make this gathering a powerful foundation for sharing Heaven’s dream with the world.

With love and gratitude,
