Fukuda uncovers significant media bias and aggressive censorship orchestrated by Japan's *Agency for Cultural Affairs*. She details how the agency reprimanded and intimidated media outlets that diverged from the official narrative, particularly those publishing perspectives from the Family Federation amid the government's campaign against the religious minority.

## LET'S BRING THE SPIRIT

Watch True Mother's message at East Garden on January 6, 2025. Start video at 42:17 for her message.

True Mother has already received a taste of the spirit being brought to Las Vegas at [East Garden on January 6](#), where True Mother rang in 2025 with spirit-filled songs performed by 30 youths led by her grandson Shin-Heung Moon, and her granddaughter, Shin-Yuh Moon. Shin-Heung stated, "This is the happiest I have seen Mother in 2-3 years." Shin-Heung wrote and composed a new-era gospel song that testifies to Heavenly Parent, testifies to Jesus, and testifies to True Parents. The song is called "You Will Never Walk Alone." This song is a homage to True Mother letting her know she has proud and courageous sons and daughters who will walk alongside her.

True Mother is preparing the upcoming Cheon Won Gung Entrance Ceremony in April to also bring us back to the Garden, this gorgeous environment that God has prepared for us. She is longing for all her children to come home. Everything that was built there was built for you. It is a spiritual destination, a place to find divine inspiration, to feel God in substance, and to feel no other place on Earth.

Let us answer True Mother's call and make this gathering a powerful foundation for sharing Heaven's dream with the world.
