Get Ready for the Epic

True Mother is coming and you are invited!

True Mother is deeply excited about the upcoming historic Cheon Won Gung Entrance Ceremony on April 13, 2025 in Korea. And so are we!

We invite you all to join us in person through attending a special event on **Sunday, January 19**, at the International Peace Education Center (IPEC) in Las Vegas, entitled “**Get Ready for the EPIC.**” It’s a great celebration with music, testimonies, and a greeting from True Mother and it’s the way that we, in America, will fully express our support of True Mother in her Heavenly mission!

Get a glimpse of the [Cheon Won Gung Cheon Il Sanctum](#) that True Mother has

tirelessly worked on in preparation for the Entrance Ceremony.

We can't wait to see you there! To join the overflow, [RSVP here!](#) If you can't attend, it will also be broadcast at live.familyfed.org.

HJIFEP Sustainability Campaign Thank You Letter

SUSTAINABILITY STARTS WITH ME

Dear Brothers and Sisters,

We are deeply grateful for your generosity and support during our "Sustainability Starts with Me" campaign. Your belief in the mission of the Hyo Jeong International Foundation for Environmental Peace (HJIFEP) inspires us and strengthens our resolve to work toward a sustainable and harmonious future.

Your contributions empower us to continue fostering awareness, sharing meaningful stories, and creating opportunities for positive change. Together, we are building a movement that begins with each of us and extends to communities around the world.

Thank you for standing with us and for being a part of this important journey. Your commitment reminds us that sustainability truly starts with individuals who care deeply about the Earth and its future.

With heartfelt appreciation,
HJIFEP

Continue Supporting the Mission

Loving Nature, Healing the Earth

We sincerely appreciate the support we have received for this campaign and remain grateful to all those who have contributed. As this campaign is ongoing, we continue to welcome any further support. God bless you all!

Reports Disputing Government Narrative Censored

The Japanese magazine Monthly Hanada published in its September 2023 issue a report by award-winning Japanese author Masumi Fukuda (福田ますみ), who is known for her investigative journalism. She exposes a blatant media bias as well as an aggressive censorship imposed by the authorities. She reveals how a government body – Agency for Cultural Affairs – reprimanded and threatened some media outlets that went against the grain and dared to publish viewpoints expressed by the Family Federation in the middle of the authorities’ campaign against the religious minority.
