Dear Family,

Thank you all for the love and support you offer to further Heavenly Parent and True Parents' providence in America.

On February 3, we will celebrate True Parents' Birthday and the 12th Anniversary of Cheon Il Guk Foundation Day together with True Mother and our worldwide movement. As you can see from the [international memo](#), there is a series of events planned for the celebration. Communities and families are encouraged to join the celebration of True Parents' Birthday at their local church or from home on February 3. Please plan celebrations with an offering table according to your circumstances. Please consider families with children and think of ways to make it special, memorable and fun for the children.

These Holy Days are also our opportunity to show our gratitude and love, and offer a birthday gift to True Parents. We invite you to make your offering today. Though we have a tradition of recommended amounts (\$210 per family and \$120 per individual), I invite you to ask Heavenly Parent in prayer to inspire the amount you wish to give with all your heart. Your offering of any amount is forever appreciated and gratefully accepted. You may give through your local church or [online](#).

Let us offer our sincere love to Heavenly Parent and True Parents and let us continue to invest our efforts to bring great results from America. Aju!

Sincerely,
