WELCOME

Special Grace

Everyone is welcome home.

As the day of the Entrance Ceremony to Cheon Won Gung Cheon Il Sanctum draws near, our beloved True Mother eagerly prepares to welcome Heavenly Parent back home. Yet, this invitation extends beyond Heaven—it is **a call for all members, and indeed all of humanity, to return home.** To guide us in this sacred preparation, True Mother has unveiled the profound truths of the providence, urging us to take responsibility as true sons and daughters. Moreover, she is establishing the necessary conditions to bestow upon us the immeasurable blessing of Special Grace, so that we can be cleansed and ready for this new age.

True Mother is investing her love, tears, and grace to make it possible for all of Heavenly Parent's children to be able to fully rejoice, participate, and enter this new era free from any shadows of the past.

Every person, family and community of any age or generation is invited to take part in this Special Grace to become partners in creating Heaven within their families and communities as Pure Water. It is an opportunity to cleanse ourselves in front of Heavenly Parent and True Parents.

“

The Pure Water must fulfill
their responsibility,
whether they are first,
second, or third generation.

What People Are Saying

After finishing the Discourse given by Demian Dunkley, I was completely blown away with the revelations that True Mother shared. Everything makes sense to me now and I see light at the end of the tunnel.

The 10 Discourses constitute what I thought was an absolutely fantastic series. They create for me much more of a deeply, warmly intimate and steadfast connection with True Mother (Holy Mother Han) — and True Father — than ever I had before.

I have just followed the first three videos and I'm very grateful for the inspiring and refreshing spirit of Demian's presentations.

My wife and I have started watching the new "Discourse on True Mother's Revelations" course that was set up. We are very impressed with the style and content and want to pass our thanks to Rev. Dunkley. This is a great initiative such that my wife and I are now planning to host a local FFWPU members group to study this content together.

Rev Dunkley, my thanks for your Discourse on True Mother's Revelations. I found them very inspiring and much more digestible than the Chamburon lectures we watched from Korea where the content was so dense it was hard to take in. I said at the time that I wished someone would give an overview that focused on the main points. Yours was just what I needed.
