What is the Korean Epic?

An insightful series covering the epic of how Korea became God's chosen people is available in English, Japanese and Spanish. All members are encouraged to watch the six videos before the Cheon Won Gung Entrance Ceremony on April 12 (U.S. time).

Rather than getting caught up in the details, we encourage you to focus on the patterns of Korean history and culture that represent Heavenly Parent's providential guidance. One note is that the "Han people" refers to the Korean people as a whole, rather than the Han clan specifically.
