What People Are Saying

After finishing the Discourse given by Demian Dunkley, I was completely blown away with the revelations that True Mother shared. Everything makes sense to me now and I see light at the end of the tunnel.

— USA member, female

The 10 Discourses constitute what I thought was an absolutely fantastic series. They create for me much more of a deeply, warmly intimate and steadfast connection with True Mother (Holy Mother Han) — and True Father — than ever I had before.

— USA member, male

I have just followed the first three videos and I'm very grateful for the inspiring and refreshing spirit of Demian's presentations.

— European member, female

My wife and I have started watching the new "Discourse on True Mother's Revelations" course that was set up. We are very impressed with the style and content and want to pass our thanks to Rev. Dunkley. This is a great initiative such that my wife and I are now planning to host a local FFWPU members group to study this content together.

— European member, male

Rev Dunkley, my thanks for your Discourse on True Mother's Revelations. I found them very inspiring and much more digestible than the Chamburon lectures we watched from Korea where the content was so dense it was hard to take in. I said at the time that I wished someone would give an overview that focused on the main points. Yours was just what I needed.

— USA member, male
