Special Grace Extended Until May 22, 2025

We have received special permission from True Mother and IHQ to extend the period of Special Grace until May 22, 2025. This is a precious opportunity for any families who, due to unavoidable circumstances, were unable to receive this grace earlier.

Communities may continue to offer Special Grace Holy Wine Ceremonies until May 22. All requirements, the donation, and the process remain the same. The only change after the Blessing Ceremony is that the Special Grace Ceremony should now be concluded by watching the recording of True Parents' Blessing Prayer from the 2025 Hyojeong Cosmic Blessing Ceremony. **Please contact your local pastor for details about Holy Wine Ceremonies.**

WELCOME
HOME
Special Grace

Everyone is welcome home.

As the day of the Entrance Ceremony to Cheon Won Gung Cheon Il Sanctum draws near, our beloved True Mother eagerly prepares to welcome Heavenly Parent back home. Yet, this invitation extends beyond Heaven—it is **a call for all members, and indeed all of humanity, to return home.** To guide us in this sacred preparation, True Mother has unveiled the profound truths of the providence, urging us to take responsibility as true sons and daughters. Moreover, she is establishing the necessary conditions to bestow upon us the immeasurable blessing of Special Grace, so that we can be cleansed and ready for this new age.

True Mother is investing her love, tears, and grace to make it possible for all of Heavenly Parent's children to be able to fully rejoice, participate, and enter this new era free from any shadows of the past.

Every person, family and community of any age or generation is invited to take part in this Special Grace to become partners in creating Heaven within their families and communities as Pure Water. It is an opportunity to cleanse ourselves in front of Heavenly Parent and True Parents.

“The Pure Water must
fulfill their
responsibility, whether
they are first, second,
or third generation.”

— True Mother (02.02.2025)

Frequently Asked Questions

Is this Special Grace only for those who need to restore lineage issues?

This Special Grace is for all members of any age or generation to participate. It is an opportunity to receive grace and offer forgiveness to others. The Special Grace does however include the restoration into God's lineage for any mistakes.

If I have lineage issues, should I disclose this to anyone?

We encourage all members who have something weighing on their hearts (such as sexual or familial issues) to seek counsel from their local pastor in addition to completing the conditions, receiving Holy Wine, and filling out the

into God's lineage for any mistakes made.

Should I participate in the Holy Wine Ceremony with my spouse?

As much as possible, couples should receive the Holy Wine together. If you are already a Blessed couple, you may take it separately if you are in different locations. For engaged couples, they absolutely must drink it together in the same location, as this is both Special Grace and the Cheon Il Guk Registration Ceremony.

Should my children participate in the Holy Wine Ceremony?

Yes, all children who are underage and not yet Blessed should participate in the Holy Wine Ceremony along with their parents. In the case of single young adult children who are not living with their parents, they can participate in a local ceremony closest to them. All children who are Blessed should participate along with their spouse.

Can my child in the Spirit World also participate in Special Grace?

Yes, the family leaves an open space in the line of children for the deceased child to stand and pause there for a moment when they are giving the other children the Holy Wine.

What happens to my Statement of Resolve to Start Anew?

You will give your completed Statement of Resolve to Start Anew in a sealed envelope to your pastor or representative when you receive the Holy Wine. The local team will collect all the Statements and destroy them in an offering ceremony. The envelope will remain sealed the whole time. Your statement is between you and God.

receiving Holy Wine, and filling out the Statement of Resolve to Start Anew.

Should each member of the family make a donation?

Each family unit should make a financial donation of gratitude based on the number 13. This donation includes the parents and any children who are not yet Blessed. If children are Blessed, they will make a donation for their couple or family unit separately from their parents.

If I am participating in the HJ Cosmic Blessing in April, when will I receive the Holy Wine?

If you are attending in Korea, you will receive the Holy Wine on April 11 in a ceremony at the Oak Valley Resort. If you are participating in the USA, you will receive the Holy Wine at the local venue where you will attend the Blessing on April 11 at a time designated by that venue.

If I am participating in the HJ Cosmic Blessing in April, should I follow the same steps?

There are some differences to the Special Grace process for candidates attending the HJ Cosmic Blessing:

1. Register as a single person using the registration form on this page. For location, put 'Cosmic Blessing Location (I am a candidate)'.
2. Do the devotional period as detailed above.
3. Fill out the Statement of Resolve to Start Anew and bring it with you in an envelope to the Cosmic Blessing Ceremony location on the day of the ceremony.
4. Receive the Holy Wine at your Blessing Ceremony location in connection with the Cosmic Blessing Ceremony.

Where should I make my Special Grace donation?

You can make your donation online when registering for Special Grace, or you can make your donation in person when you receive the Holy Wine.

40-day Devotion Period

for a Victorious Entrance into the Cheon Won Gung Cheonil Sanctum

February 27 - April 8, 2025

Offering with a Desperate Heart

True Parents have been offering special devotions for the upcoming Cheon Won Gung Cheonil Sanctum Entrance Ceremony, which represents the completion of Heaven's providence. On February 26, 2025, True Parents directed us to offer a 40-day period of devotion.

This 40-day period of special devotions should be offered with a more desperate heart than ever before, and that the Heavenly United States, as the providential eldest son nation blessed by Heaven, must fulfill its responsibility in carrying out its mission as a nation not just serving America but the

entire world. Therefore, as we approach the Cheonwon Gung Entrance Ceremony, we are asking all blessed families and members worldwide to offer a 40-day special period of devotions in oneness of heart with True Parents. We ask that you invest your utmost in offering your devotions.

Epic History of the Chosen Han People of
Korea
Video Series

Viewing Guide

This new video series takes us through the providential history of the Korean Han people as the people chosen by God to receive the True Parents. Up to now, we have focused on Western Christianity. These videos introduce us to another stream of providential history.

The first video sets the stage by giving us True Mother's guiding words about the purpose of producing the Korean Epic, including these videos and the paintings and performances for the opening of the Cheon Won Gung and Cheon-il Sanctum.

Many of the myths, historical figures and events in Korean history mentioned in the videos might be unfamiliar to Western viewers. Rather than getting caught up in all the details, we encourage you to focus on the patterns of Korean history and culture that represent Heavenly Parent's providential guidance.

What People Are Saying

After finishing the Discourse given by Demian Dunkley, I was completely blown away with the revelations that True Mother shared. Everything makes sense to me now and I see light at the end of the tunnel.

— USA member, female

The 10 Discourses constitute what I thought was an absolutely fantastic series. They create for me much more of a deeply, warmly intimate and steadfast connection with True Mother (Holy Mother Han) — and True Father — than ever I had before.

— USA member, male

I have just followed the first three videos and I'm very grateful for the inspiring and refreshing spirit of Demian's presentations.

— European member, female

My wife and I have started watching the new "Discourse on True Mother's Revelations" course that was set up. We are very impressed with the style and content and want to pass our thanks to Rev. Dunkley. This is a great initiative such that my wife and I are now planning to host a local FFWPU members group to study this content together.

— European member, male

Rev Dunkley, my thanks for your Discourse on True Mother's Revelations. I found them very inspiring and much more digestible than the Chamburon lectures we watched from Korea where the content was so dense it was hard to take in. I said at the time that I wished someone would give an overview that focused on the main points. Yours was just what I needed.
