### Cheon Won Gung Cheonil Sanctum Entrance Ceremony Message and Proclamation, April 13

Heavenly Parent, the Creator and Master of the universe, today we have finally reached this unique day, after You patiently endured and waited for 6,000 years due to the Fall. Heavenly Parent, we thank You. We offer our profound gratitude and our humble apologies.

Now you are truly the rightful Master of this earth. Our second, third, and fourth generation, the Pure Water, born of many blessed families who exist because of True Parents, are going out to the world to impart the vision of Your earthly kingdom across the land. From this day forward, Heavenly Parent, please embrace and love Your children with all Your heart!

This world will now gradually be set in order under Your dominion, and a world of one family of humankind attending the Heavenly Parent with true love will surely unfold. In the name of Holy Mother Han, I proclaim to the world that the gates of Heaven, the gates of God's kingdom of Cheon Il Guk, are now wide open.

2025 Cheon Il Guk Leaders' Assembly Closing Ceremony Message, April 15

Holy Mother Han knows very well the hard work and efforts of all you leaders. Thank you for your investment. The Cheon Il Guk era, the 13th year of Cheon Il Guk, is the time when Heavenly Parent is substantially conducting the providence on earth.

Especially while the Only Begotten Daughter, True Mother, is on earth, all organizations and institutions must move forward under one system. After Father's Seonghwa (ascension), the first thing I said was that "I will return to spirit and truth." These days when we are marking 65 years since True Parents' advent, I feel sorry before Heavenly Parent. I am sorry for making You wait so long. As I conducted the Entrance Ceremony, I felt as though I would burst into tears.

True Parents' responsibility is to create the environment on earth in which people can attend Heavenly Parent, so that the ideal of creation can be substantially realized at the point where True Parents and Heavenly Parent are in unity. However, although True Parents came in 1960 and many blessed families have come into being through the Blessing, an environment in which everyone could attend Heavenly Parent substantially has not been established.

Passing through a period of 53 long years, I proclaimed Foundation Day and Cheon Il Guk. Have you become one with me to build this grand temple where we can substantially attend Heavenly Parent on earth after 6,000 years of history and Heaven's providence for the settlement of Cheon Il Guk? Until now, I have done it alone. From now on, we must move forward with a unified organizational structure to bring national and world restoration in the generations to come.

As I have said I will unify everything, and that we should move forward with spirit and truth, Cheonshim Won and Cheon Mu Won are now like a united mind and body. Cheon Mu Won must serve as the Central Administration for national and world restoration, so I am appointing Director Lee Chung-woo (heading Cheon Mu Won's Mission Policy Office) as the Chief Administration Director and we will strive to move forward with a unified system. Also, for those who are celebrating 50 years of mission work, I ask that you write your autobiography as a record, like a mission journal.

We must become one. There should be no separation between mind and body. As I am attending Heavenly Parent, as the one responsible, I ask that you do your best in expanding the environment in which Heaven can work.

## FFWPU North America President Demian Dunkley's Statement on the Passing of His Holiness Pope Francis

*Left to right: Dr. Thomas J. Walsh, His Holiness Pope Francis, Tageldin Hamad*

"I send my deepest condolences on the passing of His Holiness Pope Francis, having completed his life's work on his final Easter Sunday, just the day before. A servant leader, Pope Francis dedicated his life and papacy to the humble service of God. His relatability and compassion inspired not only his over 1 billion religious followers, but non-believers as well.

Holy Mother Han said that, 'All...faiths have one purpose; they all share the same will to serve and attend the Absolute Being, our Creator.' Pope Francis exemplified a life of attendance to God.

In 2019, Tageldin Hamad, International President of the Universal Peace Federation, and a delegation met with Pope Francis inside the Vatican. During the meeting, the Pope spoke of the importance of peace and of the family, values which are at the core of Family Federation's mission.

We pray for his peaceful ascension into the loving embrace of God."
