Rev. Demian Dunkley Welcomes Pope Leo XIV, first American Pope

"I offer my heartfelt congratulations to Pope Leo XIV on his election as the first American pontiff. May our Heavenly Parent richly bless his sacred mission. In this new era—shaped by the efforts of peacemakers across all faiths, including the life offering of our beloved Holy Mother Han—may the spirit of unity guide us toward deeper dialogue and meaningful collaboration. As those entrusted with the care of souls, may we stand together for faith, family, and the God-given dignity of all people."
