1,000 People Joined National Prayer Call

Thank you to the 1,000 people who attended the second national prayer call last night. What an incredible show of unity and spirit. We heard stirring representative prayers from Dr. Michael Jenkins, Pastor Hebangja Kisile, Youth Pastor Hannah Arthur, and Dr. Ki Hoon Kim, and ended in a powerful resonance prayer with everyone raising their voices to heaven. Let us continue to pray for the protection of Holy Mother Han and the precious foundation our

Heavenly Parent has worked so hard to lay.

Blessings,

Rev. Demian Dunkley

2027 Vision: Happy, Healthy, Public-Minded Families

During the Leaders Summit in Las Vegas two weeks ago, Rev. Dunkley outlined the two-year strategy for FFWPU North America. The main goal is 30,000 members by 2027. The American movement promised to True Father that we would achieve this decades ago. This ambitious target will be a reflection of a

shift in culture toward happy, healthy, public-minded families.

Key will be the newly outlined membership journey, which is how new people are introduced to, engage with, and join the Unification family. Pastors discussed the spiritual and practical care needed for each touch point, from first contact to becoming a dedicated member who receives the Blessing. This will take time and coordination to implement in every community, but we are committed and excited as a continental team to make this new culture a reality.

Be part of this exciting development in your community by connecting with your local pastor.
