### Missionaries Shin Chul and Shin Heung continue their tour in North America

Missionaries Shin Chul and Shin Heung Moon continue their tour in North America. They visited Niagara Falls, Canada, where they met with leaders and youth from Toronto, and Chicago where they met Pastor TL Barrett, and other pastors, who were instrumental in the early days of ACLC, and are still active and supportive. They are now in Las Vegas, where they will also visit Sedona, Grand Canyon and other locations, following True Parents' footsteps. Check out our Facebook and Instagram for more pictures!

# How Can You Help the Movement? Share on Social Media!

**Wondering what you can do practically to support the movement? Share Family Fed USA's posts on your social media. For every negative impression online, it takes 80 positive impressions to counter it! So every voice, every post counts.**

**Here's a posting tip:**

### 4. Mindset: You're Not Just a Member— You're a Witness

When you repost, you're not just promoting.  
You're testifying.  
You're planting seeds of truth and hope.  
Even if someone scrolls past today, they may remember when it matters.

🌱 "Be a witness, not a preacher. Let your light shine through your presence, not just your words."
