One Heart Camp Concludes Successfully

One Heart Camp 2025 was a meaningful and successful gathering in its 37th year, held at Camp Seely in the San Bernardino Mountains. With 113 youth participants and over 60 staff from more than 10 states, including many first-time attendees and 3rd Generation Blessed children, the camp fostered a strong sense of connection and spiritual growth. This year's theme, "My God, My Journey," focused on helping youth explore their personal relationship with Heavenly Parent and understand how their passions and futures can align with God's vision for their lives. Inspiring lectures were delivered by regional and local church leaders, offering guidance tailored to both high school and middle school participants.

The camp blended outdoor activities, such as hiking, sports, and team games, with evening programs centered on worship, prayer, and fellowship. Highlights included a worship night, 21-minute prayer, "night under the stars," and an entertainment night showcasing talents from campers and leaders. Much of the camp's success is credited to the dedication of its 10 core staff members, who planned and prayed for months in advance, as well as the support of volunteering parents. The week left participants spiritually refreshed and deeply connected to one another, with gratitude expressed to all who contributed—especially to Heavenly Parent and True Parents—for making the experience unforgettable.
