Re.: Guidelines on the New Beginning Special Devotion and Special Donation for Holy Mother Han

May the blessings and love of our Heavenly Parent and True Parents always be with you.

Through the victory of the Cheon Won Gung Cheonil Sanctum Entrance, Holy Mother Han, True Mother, opened the era of the heavenly kingdom on earth, where we serve and live together with our Heavenly Parent. However, as we reflect on the 6,000-year history of the providence, we see that each time the sphere of Heaven's dominion expanded, the world's lack of understanding and disobedience became more pronounced. The providential difficulties we faced this past July reflected this pattern. In response, from June 21 to July 30, the Pure Water youth united to call out for the protection of True Mother and offered special devotions for Holy Mother Han. These pure and sincere offerings have established a new standard for the new era. In this time, we are asking for the blessed families of the global Unification community to respond with one heart and purpose and to build genuine solidarity rooted in *hyojeong* (filial heart) and devotion.

Therefore, during the month of August, the 8th month (8 being the number of a new beginning), we are organizing "Special Devotions and Special Donation for a New Beginning in Support of Holy Mother Han" as outlined below. During this period, the global Unification community will host major events, including the "2025 Pure Water Assembly," "2025 Continental Youth Assemblies," and "2025 Heavenly Parent's Holy Community Global Joint Worship Service." These events will provide meaningful opportunities for us to reflect on the identity of our blessed families as a chosen people, inspire hope for the future, and most importantly, let others know the providential value of True Parents.

We hope that, with hearts of repentance for having not adequately fulfilled our responsibilities in front of the precious love and grace that has ushered in a new era and new history, we can all wholeheartedly participate in the "Special Devotions and Special Donation for a New Beginning in Support of Holy Mother Han" with the spirit of renewal and of making a new beginning.
