

FFWPU USA: A Call to Stand Together for True Mother

Demian Dunkley
November 22, 2025

Dear Brothers and Sisters,

As many of you know, True Mother's trial begins on **December 1**, just ten days from now. Her situation is urgent, and the work required to protect her safety and secure her release is extensive. Much of this work cannot be shared publicly, but we are engaged on multiple fronts—humanitarian, diplomatic, and spiritual.

Today we are launching **Round 1** of our emergency fundraiser with a goal of **\$250,000 by December 1**. These funds will support the ongoing efforts on the ground, including the U.S. delegation that will attend the first day of the trial, as well as the critical support work happening around the world.

This amount is relatively tiny compared to the amount I have already authorized and invested into supporting True Mother; however, it is essential that we boost our resources to increase our chances. Furthermore, so many of you have reached out to me to know what you can do to help beyond prayers and online engagement.

Therefore, I am asking every family, every young adult, and every member who feels moved by this moment to participate. Large or small, your offering is part of our collective responsibility to protect True Mother and uphold the values she has lived and taught her entire life.

Protect Religious Freedom

\$67,850

\$0

\$250,000

Your gift today can protect the fundamental right to believe.

Right now in South Korea, people of faith are facing intimidation, unjust detentions, and a growing climate of fear simply for practicing their religion. When a democratic nation begins to silence spiritual voices, it sends a message that no believer is safe. That's why your support matters.

By donating, you empower international awareness campaigns and on-the-ground efforts that defend innocent people and expose human rights violations. You help give families hope, amplify the truth to global audiences, and ensure that those suffering in silence are not forgotten.

Religious freedom is not just a local issue—it's a universal human right. Your contribution can help stop injustice before it spreads further. Stand with those whose voices are being suppressed. Stand for freedom.

Your generosity can make the difference between oppression and hope.
