Transformation on Earth

by Rev. Doo, Director-General of World Mission Headquarters

Dear respected and beloved Unificationist Blessed Families and Members around the world,

The new year of 2026, the year of the Fire Horse (丙午), has dawned. Happy New Year to you and your family. As we welcome this new year, I pray that the grace and love of Heavenly Parent and True Parents will overflow ever more abundantly upon your families and on the foundations you are building with your lives.

At this moment, we are hearing a powerful calling to “change”—from Heavenly Parent, from the world and from our community, and even from the depths of our own conscience.
