

FFWPU USA: Change in the Hyojeong Cheonju Blessing Schedule

September 25, 2026

Dear Brothers and Sisters,

Thank you for your continued love and devotion to Heavenly Parent and True Parents.

As you can see from the enclosed memo, World Mission Headquarters has announced a change to the schedule of the upcoming Hyojeong Cheonju Blessing Ceremony. The ceremony, originally expected to take place around April 22, 2027, is now being planned for around April 10, 2028. Further details regarding the exact date, time, and venue will be shared as they become available.

I believe this has something directly to do with True Mother's sense about 2028 as a new beginning, and she wants to invite all the couples to be a part of it together.

I understand that this change may be especially significant for those who have already been preparing for the 2027 Blessing, particularly couples who have completed their matching and engagement.

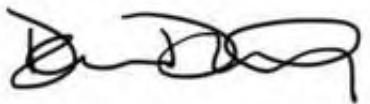

I encourage you to consider how to use this additional time as an opportunity to continue growing in faith, strengthening your relationship, and preparing more deeply for the commitment you will make through the Blessing, despite the delay that it appears to make in your journey.

I ask our pastors, Blessing Ministry leaders, parents, and communities to care for our singles and couples during this extended period. Please remain closely connected with them and continue providing education, counseling, relationship support, and opportunities for spiritual growth.

Our North America Blessing and Family Ministry will also continue developing ways to support candidates, matched couples, and their families as they continue to prepare. More specific guidance and information about upcoming programs will be shared in the months ahead.

Let us use this time well and continue preparing with faith, joy, and gratitude, so that each couple can deeply inherit the value of the Blessing and build a family where Heavenly Parent can truly dwell.

With love and gratitude,

Re.: Change in the Schedule for the Hyejeong Cheonju Blessing Ceremony Officiated by the True Parents of Heaven, Earth and Humankind

May the blessings and love of our Heavenly Parent and True Parents always accompany you.

Following the Entrance into the Cheon Won Gung Cheonil Sanctum, we are continuing our providential mission to realize Heavenly Parent's dream, the ideal of one family of humankind under Heavenly Parent.

This is to inform you that after careful consideration of the current providential circumstances and all relevant conditions, the Hyejeong Cheonju Blessing Ceremony originally scheduled for 2027 is being rescheduled to around April 2028.

This change is part of the process of preparing more fully for the Blessing in accordance with Heavenly Parent's will and the current providential environment. Even with this change of schedule for the Blessing Ceremony, we ask that in each church you can prepare thoroughly for the 2028 Blessing Ceremony through Blessing education, counseling and matching activities, so that the absolute, eternal, unique, and unchanging value of the true love of Heavenly Parent and True Parents may be fully inherited.

In particular, for candidates who have already completed their matching and engagement ceremonies, please provide ongoing programs including faith education, counseling, and relationship support so that they may continue preparing steadily until the newly scheduled date. We sincerely ask for your active cooperation in helping all Blessing candidates to deeply embrace the value and meaning of the Blessing and to welcome the 2028 Cheonju Blessing Ceremony with joy and gratitude.
