Dear Leaders, brothers and sisters,

True Mother is again calling Top Gun graduates and new candidates to attend the next 21-day Top Gun workshop at Chung Pyung! It is scheduled for this February 1–22, and will include all the special events and holy day celebrations with True Mother leading up to the Foundation Day Blessing on February 20, and Victory Celebration on February 21. This workshop will be directed by the American leadership team, and we will keep you informed as plans develop.

All current and future leaders between the ages of 25 and 45, who have a desire to connect more closely with True Parents and the world movement, are invited to participate!

It will be the participants' responsibility to cover their own airfare and registration fee. The registration fee will be announced soon, but expected to be in the \$500 range, based on past experience.

Be sure to let everyone in your nations and churches know about this exciting opportunity - especially Blessing candidates, who will be traveling to Korea and could make bonds to last a lifetime. People you can consider reaching out to:

- Regional and local church leaders
- Affiliate organization leaders
- Carp leaders
- Youth leaders
- Leaders planning on attending the CIG leaders meeting in February
