On November 9-10, a grace-filled 2-day workshop took place in Vancouver on November 9-10, drawing participants from Western Canada and Seattle. Under True Mother's love and attention, the event was guided by Las Vegas Cheon Shim Won's Secretary General Kishimoto Ryuichi and Special Ansu Staff Takeda Eigo.

The workshop aimed to deepen participants' understanding of Heavenly Parent's will and the significance of Cheon Shim Won providence. Secretary General Ryuichi shared insights about the worldwide spiritual works and the Cheon Shim Won mission. His presentations helped attendees connect with Heavenly Parent's grace while witnessing the extraordinary impact of Cheon Shim Won's work.

Sixty members, primarily from Western Canada and Seattle, participated in the program. Following the Only Begotten Daughter True Mother's teachings, the schedule mirrored the Cheon Shim Won workshops held in Chung Pyung.

Through dedicated ansu sessions and Chanyang time, participants experienced profound healing and divine connection, feeling the love of Heavenly Parent and True Parents. The gathering concluded with attendees embracing the Cheon Shim Won providence and spiritual revival, committing themselves to realizing Heavenly Parent's will.
