**"How China' s Communist Party Made the World Sick"**

Join us for an insightful online Zoom gathering Tomorrow, Tues April 28, for the New Hope Mid-Week service. Even despite our emphasis on spiritual work, we as BCFs have to deal with the reality of the world's largest 21st century nation emerging as communist-led, authoritarian surveillance and police state. A HUGE challenge.

(Please also consider coming on for the "pre-service" group prayer at 6:50 pm to support the speaker & prepare the atmosphere. See you tomorrow.
