

Testimony from LTF USA: Leadership Task Force 2017 Philippines

T. Goto
March 23, 2017

Testimony from LTF USA: T. Goto

“Despite the cultural shock and differences at the opening ceremony, I started to love the children as my younger brothers and sisters. It was the same love I had towards my school mates and community members that I was sharing in the village. Although we don’t speak the same language or have the same lifestyle, I felt that we are still one family with the same heart that everybody has.”
