We are making slide shows for the Memorial Weekend Event. We need your favorite photos of your time at Barrytown.

We also need photos of the missions/professions where you have served after graduation.

Let's tell the story of the investment made by the UTS Alumni 1975-2015

At the UTS Alumni Conference being held over Memorial Day Weekend the Development and Alumni Relations office of UTS is organizing TWO slide shows

5:00- 6:00 Reception

Sunday May 24th

Alumni Conference - all day. With sessions in the morning and afternoon.

A high priority for many is to have a discussion with Dr. Hugh Spurgin (UTS'77), interim president of UTS, about the future.

Dr. Spurgin wrote an open letter a couple of months ago in which he said:

"Some of you may have ideas on how to increase revenue and reduce expenses.

I am interested in your thoughts and proposals.

We can make a difference, so let us work together to save our *alma mater*.

We welcome your ideas, plans, investment in time, donations, and most importantly prayers. "

Sunday, later in the afternoon, is the time being planned to have a meeting with Dr Spurgin.

The session is called "*The future of UTS and of the Barrytown property*"

So come and share your ideas, your plans, your money, and your prayers.

Monday 25th

Alumni Conference - continues in the morning.

The conference will end at lunchtime on Monday.

Sunday May 24th and Monday May 25th will give you opportunities to meet old friends, make new friends and

participate in a variety of sessions. The exact

schedule and choice of sessions will be finalized by May 1.

If you plan to stay at Barrytown over the weekend please contact hospitality.
