Greeting from the desk of the Pastor

Greetings Dear Brothers & Sisters,

On behalf of Rev. Kone and myself I want to thank all those who participated in the 777 couples blessing anniversary this past Sunday. It was a wonderful event to honor those who have done and continue to do so much for our movement. I think these kind of events are so important to build community. Our movement isn't just about learning and teaching the truth but it's most importantly about living the truth. The truth of True Love, Filial Piety, Respect, Honor and Gratitude.

Personally as a second generation I know that I owe my life to these older members, so I personally want to thank them. Also this event couldn't have been able to be done without the help of the many volunteers of the community that invest in making quality programs every week.

With love and gratitude.

God Bless

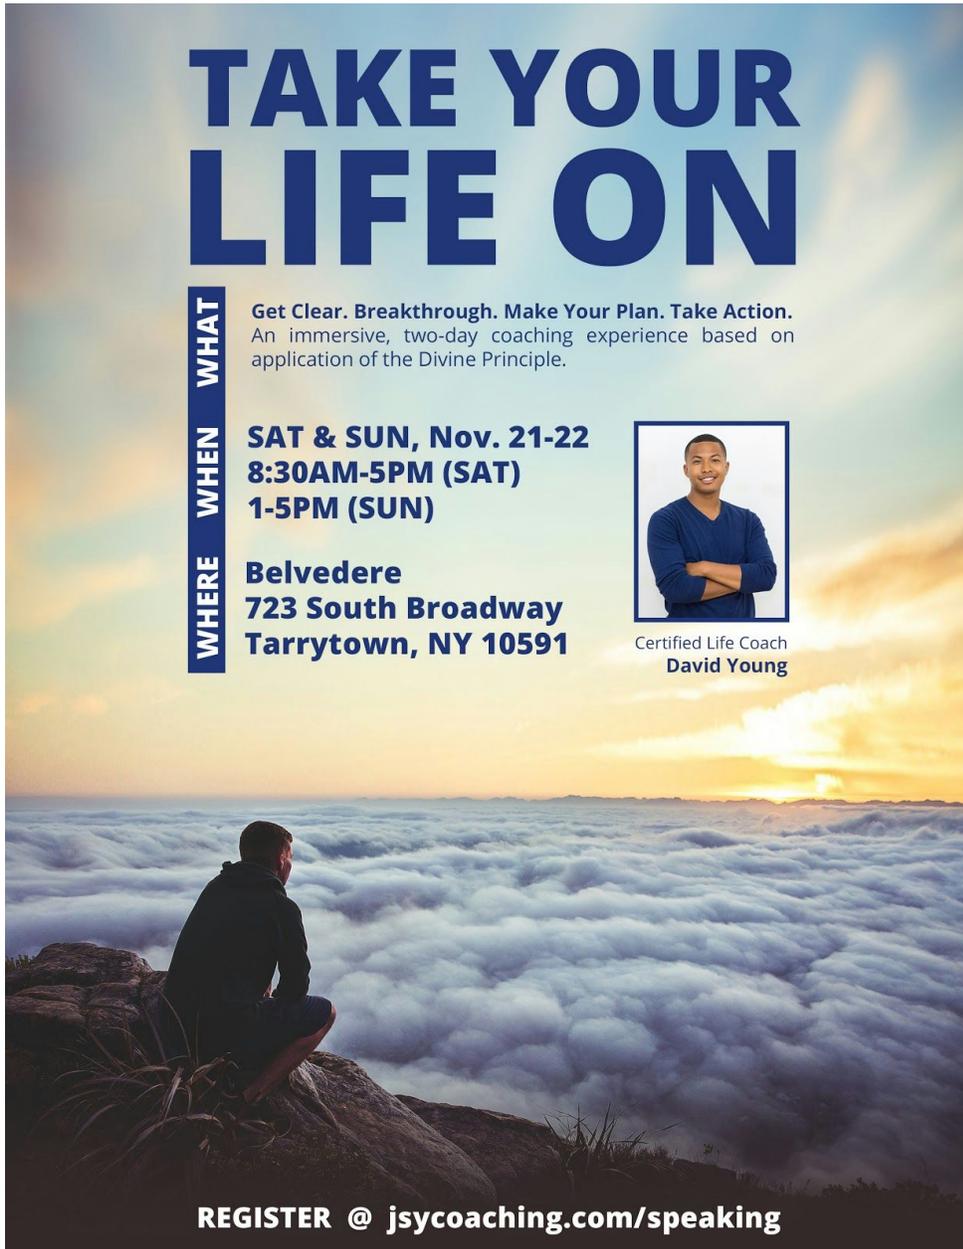

-Justin Okamoto, Assistant Pastor

Humor for the week

There was a preacher who fell in the ocean and he couldn't swim. When a boat came by, the captain yelled, "Do you need help, sir?" The preacher calmly said "No, God will save me." A little later, another boat came by and a fisherman asked, "Hey, do you need help?" The preacher replied again, "No God will save me." Eventually the preacher drowned & went to heaven. The preacher asked God, "Why didn't you save me?" God replied, "Fool, I sent you two boats!"
