### **Important Information and Tips about MSG**

- 1) Don't bring any food or water to MSG because it will all be taken away at the security check.
- 2) There will be 10:30 a.m. Sunday Service at Belvedere on July 16. We expect about 2000 people will be joining service and lunch at Belvedere.

The doors open at 2 p.m. on Saturday, July 15, and the program should conclude shortly after 5:00 p.m.

**Entering Madison Square Garden :** The Garden is located at 4 Pennsylvania Plaza on Seventh Avenue (between West 31st St and West 33rd Street), New York, NY 10001

**Security:** As per MSG regulations, everyone entering the venue, without exception, will be going through airport-style security before entering the ticket area. Please allow additional time for screening.

Madison Square Garden asks all guests to arrive early and travel light. All persons and bags are subject to search. Bags that have passed inspection must fit comfortably under your seat. Oversized bags are prohibited. MSG does not provide an area to check bags, coats or any other personal belongings. No outside food or drink is permitted to be brought into the Garden.

**Seating :** Seating is assigned by ticket and ushers will guide you to your section. You need the white MSG printed ticket to enter and get your seat.

If you need special seating for wheelchair, MSG Staff will meet you at the box office and provide you with those specific tickets.

**Translation :** The program will be in English, but the keynote speaker, Dr. Hak Ja Han Moon, will speak in Korean. Translations will be provided using a cell phone conference system.

English will be translated into Spanish, Korean and Japanese. The keynote speech will be translated from Korean into English, Spanish and Japanese. Please bring a fully charged cell phone to the event. You will be provided a toll-free number, and connected directly to a translation.

Please also bring a personal headset or earbuds. Additional earbuds will be available. If some in your party do not have phones (such as children), we recommend a headphone splitter and additional headset to allow another person to listen from the same phone.

**Food and Beverages :** No outside food or beverages are permitted in MSG. We recommend eating lunch before entering the venue. However, the MSG concession stands will be open and snacks can be purchased.

**Dress Code :** Church attire.
