If you or anyone you know can help, please contact David Wolf at wolfd888@gmail.com.

Special Pilgrimage for True Parents' Birthday in Korea

As you've probably heard, the National Ministry Team is preparing a wonderful opportunity for all Unificationists to join the special celebration of True Parents' Birthday next month in Korea, attend the Great Works workshop and go on a special pilgrimage.

The pilgrimage will include the Hyojeong Cheonwon Complex and SunHak History Institute and Museum, and sightseeing in Seoul, including the Cheong Pa Dong Church.

Last November there were 42 Unificationists who had an amazing experience joining the special rally with True Mother and going on a similar pilgrimage. Based on that successful experience, we'd like to offer this opportunity around the other major celebrations in Korea.

For those interested, registration is available on the familyfed.org website: (this link has more detailed information about dates, accommodations, etc.)
