## **Greetings BFC!**

We hope everyone enjoyed a fulfilling week and a wonderful Independence Day with family and loved ones! Seems like the weather is just starting to cool down again. Please make sure to drink lots of water and stay hydrated, cool, and safe!

This is a reminder for our Evening Service this Sunday, July 8th at 5pm. As usual, there will be a potluck dinner afterwards so we ask that families bring dishes according to the organizations below:

**Families with last names A-K: desserts**

**Families with last names L-R: main dish**

**Families with last names: S-Z: side dish**

Belvedere staff will prepare the rice, kimchi, utensils, and drinks.

**In addition, there will be a representative coming from Headquarters to attend this Sunday's service to talk about the upcoming Ancestor Blessing Event. Please stay after service if you are interested in participating in this event for a very helpful Q&A session.**

The New York Ancestor Blessing event will take place at **Belvedere** on July 28-29.

UPCOMING PROJECT:

**August 10 - 22, 2018**

**APPLICATION DEADLINE HAS BEEN EXTENDED!!**

**Sign up before July 20th.**

Looking for a meaningful way to spend your summer break? Consider coming to Honduras to help create a peace park. The goal of the project is to create awareness for the need for a united community across the Americas. This is a project to foster friendship, collaboration and solidarity with the peoples of the Americas as we strive to develop a Culture of Peace.

This August 2018 project will continue to make improvements to the El Way Peace Park that was started in January and August 2017. We are working together with the local city government to build this park, and model a community of cooperation.

Refurbish concrete benches and structures with ceramic mosaics

Landscape the lawn and garden areas

Hold a community gathering to celebrate our friendship and cooperation

Visit local cultural and tourist attractions

In addition, participants will have the opportunity to share in a culture different than their own and use creative problem solving while working in teams with volunteers from North, Central and South America.

**Please submit your application by July 1st 2018 as space is limited:**

Participants are responsible for a \$500 fee, which covers room, board, and in country travel. Additionally, participants are responsible for the cost of their flight to San Pedro Sula, Honduras.
