Greetings BFC!

We hope everyone enjoyed a wonderful week despite the continuous humid weather.

Last Sunday we conducted a beautiful celebration at Belvedere commemorating True Father's Seonghwa Ceremony and the Holy Marriage Blessing. In addition to the wonderful couples celebrating in Korea, we were able to witness three couples celebrate their very special day. Congratulations to all of the couples who received the blessing!

Marriage Course starting soon!

As many of you have heard, **The Marriage Course** will be starting again this Fall, <u>Friday September 28th</u>.

However to make this happen we need your help. We require volunteers in order to ensure the success of the program so that the couples can have a wonderful experience. We only ask for your help once a week. We need cooks to prepare the meals and babysitters to take care of the children so that our couples can completely devote this time to each other.

If you are interested, please fill out the form below, otherwise volunteer registration will be available in person after Sunday Service until the program starts.

Up & Coming NY Youth Ministry 2018-2019!!

Dear Belvedere Family Community,

The Up & Coming NY Youth Ministry would like to inform you about the start of this year's youth group. Our mission is to be a home for young unificationists and their friends to love their real selves and own their spiritual growth through practice of the five themes of youth ministry. Tentatively, the first day will be on Saturday, September 15th at 4:00pm at Belvedere. This is subject to change, but we will let you know if there is a change in time or date.

We are opening registration for your children and greatly urge you to sign them up as soon as possible. Your children are placed in teams and we can better place them if they are registered earlier. Our program is for middle school and high school students.

The online registration form can be found clicking this link:
