Three Openings for Writers or Editors in Established Writers Group

The NY/NJ small group welcomes you to replace those who moved out of state. Here is a wonderful chance for (1) a budding writer, or (2) an existing writer that needs added strength to improve or restart their work, or (3) somebody who loves editing—definitely a huge plus.

Friendly relationships, commitments to fellow writers/editors, and developing the Heavenly-Parent-given talent in us all, made us vibrant for years. We might have confidence issues with degrees of self-doubt or we procrastinate and don't plan enough writing/editing time. A group like this helps overcome those roadblocks.

And, if one possesses great ability, more shared eyeballs on that talented work is always better.

Most months we gather twice, <u>Sundays from 4:00 PM – 7:00 PM</u>.

Format: dinner, check-in time, study the craft of writing, a featured writer reads their work, and last, dessert/ending thoughts. Also, we go to a movie and dinner at times. Most writers/editors also host (just once every 6 months or so) especially if they enjoy it, but hosting is not a prerequisite.

Email <u>alanwrylands@ gmail.com</u> or call Alan, 914-804-6417 or another group participant you know. We can accommodate three new folks right now, which is very realistic. Thanks!
