Resolving to Advance with the Value of Faith

On December 21, 2025 (Cheon Il Guk Year 13 HC 11.2), FFWPU in the Democratic Republic of the Congo held a closing worship service in Kinshasa to conclude a 40-day witnessing campaign.

The service brought together more than 2,800 members from 44 local districts.

Heavenly Africa Continental Director Jean-Pierre Kadima encouraged members to carry the same dedication and passion into future missions.

National Leader Rang Wan Lubaka emphasized the importance of steadily cultivating the values of true faith within families and communities.

During the 40 days, members shared the message of peace with more than 10,000 people, distributed leaflets, and conducted educational programs, resulting in 67 individuals pledging to join the Family Federation.

The campaign deepened members' sense of mission under Heavenly Parent and strengthened their resolve to participate vigorously in future initiatives.
