

FFWPU DR Congo: Nearly 800 Gather in Kinshasa for 2026 Youth Summer Camp

Rang Wan Lubaka

June 28, 2026

Event Theme/Objective: A special service concluding the Month of Renewal and launching the start of the summer camps under the theme "A Filial Heart Toward HOLY MOTHER HAN."

On Sunday, June 28, 2026, 788 members gathered at the National Center of the DRC in Kinshasa for a service marking the conclusion of the Month of Renewal and Fidelity to True Mother, while officially launching the 2026 Edition of the Youth Summer Camp, themed: "A Filial Heart Toward Holy Mother Han."

The celebration began in an atmosphere of joy and gratitude with musical performances and a time of praise led by various choirs. The Second Generation children opened this segment with inspiring songs, followed by the elder's choir, creating an environment conducive to prayer, worship, and fraternal communion.

The main message was delivered by the National Vice-Leader, Reverend Pumsu Tambwe, focusing on the sub-theme: "The Victory of Our True Mother and Our Responsibility." In his teaching, he reminded the congregation that the restoration of humanity requires a transformation of lineage, which could only be accomplished through the woman prepared by Heavenly Parent to fulfill this providential mission. He explained that True Mother, Holy Mother Han, is this long-awaited woman through whom the transformation of lineage became possible. Thanks to her victory, blessed families came into being, Cheon Il Guk could be established, and the Cheon Won Gung was consecrated, allowing Heavenly Parent to dwell with His children.

The preacher then exhorted all members to respond to this victory with a renewed personal responsibility: to move forward in spirit and truth, to love one another, to serve with humility, and to actively contribute to the building of Cheon Il Guk. This profound and inspiring message was warmly received by the congregation, bringing participants new hope and renewed energy to pursue the providential mission.

The second part of the celebration was dedicated to the official launch of the 2026 Youth Summer Camp. On this occasion, the National Youth Director, Mrs. Hanhwa Nguvulu, presented the camp program and its main objectives, notably the strengthening of faith, leadership development, character education, and the promotion of a filial heart toward Holy Mother Han.

The official launch was then presided over by the National Leader, Reverend Rang Wan Lubaka, who, through a symbolic raffle draw followed by a balloon release, officially declared the 2026 Edition of the Youth Summer Camp open. He invited all youth to make this camp a time of spiritual growth, fraternity, and preparation for future responsibilities.

The ceremony continued with words of encouragement from Mrs. Maria Kadima, wife of the Continental Director, who urged the youth to live this experience to the fullest in order to develop a filial heart toward Heavenly Parent and Holy Mother Han, while consolidating their faith, discipline, and spirit of service.

The service concluded in an atmosphere of great unity, fraternity, and conviviality, marking both the closing of the Month of Renewal and Fidelity to True Mother and the promising launch of the 2026 Youth Summer Camp. This day will remain a milestone of inspiration, spiritual renewal, and mobilization for the 788 participants, who are now called to deepen their filial heart toward Holy Mother Han and actively contribute to the building of Cheon Il Guk.
