FATHER IS CLEAR: "When the only begotten son comes, it would be a disaster if he were to live alone. There has to be an only begotten daughter. The only begotten daughter must be found and, centering on God, the only begotten son and daughter should marry each other. This way, God should rejoice as the vertical parent Chapter and the only begotten son and daughter must become the bride and bridegroom who can rejoice as the horizontal parents and give birth to children on earth. Only then will the tribe begin to expand." CSG p.180

(1) It would be disaster if Father was alone

(2) There is an only begotten daughter (Mother)

(3) Only than God can rejoice

(3) Give birth to children on earth for tribe to begin

### **Mother's role was crucial**

"Were it not for the Fall, heaven would have been a place to which God's only begotten son and daughter would have gone after creating His family and living in His love. Heaven is to be entered by families, not individuals." CSG p.648

(1) God's only begotten son and daughter are the first couple in His love.

(2) Father, as individual cannot enter Heaven. He needs only begotten daughter.

"In that regard, heaven is vacant. The loss of Adam and Eve meant the loss of their clan. He lost the heavenly race and tribe, and the heavenly man and woman – His only begotten son and daughter." CSG p.648

(1) If there is no only begotten couple (True Parents) heaven is vacant

(2) If True Mother didn't fulfill her mission, no clan, no lineage, no TC will appear

This was Father's mission, to restore that loss, to restore only begotten daughter and the first true family, clan and nation. Mother's help and role was crucial all the way. Especially now, when she, united with Father in the spirit world unites the Cosmos to establish God's first restored nation, Cheon Il Guk.

### **Mother United with Father's Vision**

We see Mother constantly talk and mobilizing us about that. Read to see a glimpse into the great work Family Federation is doing on world level, following Father's vision. We see God's Ideal being realized in front of our eyes with amazing speed, through the guidance of True Mother.

"Our own Unification Church members put up opposition saying women can't do anything. but then True Mother stepped forward. Therefore, I declared the arrival of the era of women. Wait and see if the age of women comes now or not." (Father CSG1, 1992.7.31)

Mother's victory is the first in history and the model for all women. If denying this fact Sanctuary Church will deny all Father's teachings and achievements. Father himself said, "the "only begotten son" needed to find the "only begotten daughter." Father also said:

"You have been born through True Mother. Remember that the favor bestowed by the True Parents is a great blessing that cannot be exchanged for anything in the whole universe." Father, CSG
