**S**pecial Emissary Mrs. Lan-young Moon, accompanied by her husband Mr. No-hi Pak, visited Republic of Macedonia, as a part of Eastern Europe and Balkan Region Tour, from 24th till 26th of July, bringing and sharing True Mother's big love and comfort.

During the short visit and meeting with small number of family members, few Ambassadors for Peace in Kumanovo and dinner meeting with some future members and Ambassadors for Peace in Skopje, Mrs. Moon inspired all of us sharing her rich experience

and big results working with, following, and practicing True Parents' teaching.

Very much impressed by experiences and results from Mrs. Moon's hard work through humble and obedient following True Parents, we received gratefully the message, love and comfort True Mother sent through Special Emissary she sent even in our small and undeveloped country, with bigger determination and confidence for achievement better results in near future.
