Oslo, Norway, 12. – 17. August 2015

Meeting with Norwegian 2<sup>nd</sup> gen

By Steinar Murud

We received our European emissaries in the afternoon of Wednesday 12th August.

During dinner that evening, we discussed the program for the days ahead, as well as presenting a short introduction to the Norwegian community.

During the day, on Thursday the 13th, we went in the footsteps of True Parents's visit to Norway in 2011. We visited the same restaurant where True Parents had their lunch, and even took a photo sitting in the same chairs that they had used.

We later went to the same park that True Parents had visited. We also visited our witnessing centre.

We ate dinner in a new Korean restaurant together with a couple of members from the FFWPU board.

Welcoming the emissaries

In the evening of this first day we had the official welcoming for the emissaries in our church. Everybody sat around the table and introduced themselves.

Friday the 18th started with sightseeing on the Oslo fjord followed by lunch in the hotel where True Parents had stayed. The afternoon was spent at the national leader's home together with a few members from the area.

On Saturday the 19th we received a visit from our regional leader, Mr Igarashi, and we all had lunch together.

50th anniversary of TF's establishment of the Holy Ground in Norway

Following the lunch we went to Oslo to commemorate the 50th anniversary of TF's establishment of the Holy Ground in Norway. Our national leader and Dr. No Hi Pak gave speeches, then we all sang "Urie Sowonun Tongil" and took a group photo in front of the Holy Tree.

Later in the afternoon we had a meeting at the church where the emissaries could meet members of the 2nd gen. At the same time our regional leader had a mini-health seminar with members in need of physical healing.

Finally we shared a dinner together at our church.
