Welcome to the Women's Federation for World Peace International Educational Online Courses.

As an international NGO, we provide accessible education to people in need. We believe education is a very important factor in engaging and beneficial for people everywhere, and we currently offer versatile programs across a wide range of fields.

Designed courses are to enhance your capabilities within any organization. On completion of the courses, you are expected to have achieved the following four objectives:

Understand and be able to apply fundamental concepts of Finance, Marketing, and Healing Therapy.

Be able to integrate knowledge and concepts across functional areas to diagnose and solve personal and organizational problems.

Understand the unique challenges of operating in an NGO business environment.

Understand and be able to apply appropriate leadership behaviors and skills for enhancing personal and organizational effectiveness.

If you participate in 80% of the whole educational course, a "Certificate of Completion" will be issued at the end of the course.

We invite you to REGISTER HERE!

WFWPI reserves the right to cancel a course or a program in cases of insufficient enrolment or unforeseen difficulties arising from running the course. In such circumstances, the notification email will be sent. Entry requirements are specified in the course descriptions. Applicants are normally required to have reached the age of 18.

Access new knowledge in Finance

[Reserve your spot now](#)

Enjoy the course on financial planning and budgeting. The course provides a step-by-step guide for leaders to prepare an organizational budget to spin the wheels and achieve their aspiration goals. It also introduces project budgeting for managers to run a successful fundraising campaign.

Dr. Jennifer Huang, Australia

Dr. Jennifer Huang is a finance lecturer and regularly speaks on financial literacy for Generation Z, hosting seminars and workshops from schools to non-profit organizations. Jennifer has made it her mission to empower others financially through education. A former corporate executive in Kaplan Financial and the Walt Disney Company China, Jennifer has managed and delivered financial training programs including treasury management, financial planning, and credit analysis to thousands of financial professionals and advisors. She realized that many people were seeking financial help but lacked the minimum knowledge to have a meaningful start. Since 2017, she dedicated herself to helping young students and women to build a financial foundation by offering practical financial courses focused on topics like investment management and personal wealth management.

Dr. Huang holds a doctorate degree in banking and finance from RMIT University Australia. She is an Associate Financial Planner and Certified Treasury Professional. Dr. Huang has served as a board member of the Financial Planning Standards Board Ltd. and is a member of the Financial Planning Association Australia. Dr. Huang is a member of the Victoria Advisory Committee of WFWP Australia.
