Journal of Sciences and Innovation for Sustainable Peace (JSISP)

(Formerly Journal of Hyojeong Academia – JHJA)

Announcement

The **Journal of Hyojeong Academia (JHJA)** is proud to announce its transformation and rebranding as the **Journal of Sciences and Innovation for Sustainable Peace (JSISP)**. This evolution marks our commitment to becoming a leading transdisciplinary platform dedicated to solving complex global challenges through the integration of scientific rigor and technological innovation.

Vision and Mission

We believe that Science and Innovation are the primary drivers for building **Sustainable Peace**. JSISP is a solution-oriented, transdisciplinary journal that seeks to bridge the gap between academic research and practical applications for the betterment of humanity. Our goal is to provide a globally recognized platform that meets the rigorous standards of international indexing, such as **Scopus**.

Aims & Scope

JSISP welcomes original research across our **Tri-Fields System**, which integrates values, peace, and innovation:

1. **Universal Values and Unity of Sciences**
    - Research on global ethics and universal value systems.
    - Philosophical and methodological foundations for the unification of knowledge.
    - Systems science and transdisciplinary integration models.
2. **Sciences and Innovation**
    - Artificial Intelligence (AI), robotics, and cutting-edge technological innovations.
    - Climate crisis response, energy transition, and environmental sciences.
    - Social contributions of science and technology for sustainable development.
3. **Human well-being and Sustainability**
    - Human security, conflict resolution, and strategic peacebuilding.
    - Integrative medicine, mental health, and holistic well-being

- Integrative medicine, mental health, and holistic well-being.
- Research on sustainable social structures and human happiness.

Submission Information

- **Eligibility:** Researchers, professors, and experts worldwide.
- **Manuscript Types:** Original Research, Review Articles, and Case Studies.
- **Language:** English (Required for global knowledge sharing).
- **Review Process:** Rigorous single-blind peer review by international experts.

Submission Portal: The Journal of Hyojeong Academia (https://www.manuscriptlink.com/journals/jhja)

Strategic Goals

JSISP is managed with a focus on **Scopus indexing excellence**, ensuring high discoverability (SEO), international neutrality, and scholarly rigor. We invite you to contribute your distinguished work to help lay the foundation for a peaceful and sustainable future.
