On Sunday, November 11th, FFWPU Norway celebrated True Children's Day and The Foundation Day for the Nation of Heaven and Earth with a family Sunday Service. In addition to the regular program, the congregation was energized by singing *If You're Happy and You Know It* together and the sermon was especially engaging for the young children in the audience. After Service, we enjoyed a light lunch with cake, coffee, and the holy table. It was a special day where all 3 generations could come together in worship and fellowship.
