Maine Ocean Challenge Program 2023

For over 30 yrs, we have been taking teens and young adults out into nature for life-changing experiences. Our base camp will be on Bates Island. From there we will venture out into Casco Bay Gulf of Maine on the 'Downtown Hope 3'

Join us on Sept. 11th thru 18th on Bates Island !

The ocean is the best place to toughen a young person's spirit!

Registration fee will be \$500. Arrive Sunday the 10th at our home in Cape Elizabeth. Fly into Portland Int'l Jetport or take a bus from Boston (2 hrs).

All public expenses will be covered once you arrive. We'll fish for mackerel, striped bass, haddock, sharks, and, hopefully giant bluefin tuna!

Get seasick? Bonine will be provided (consult with your doctor first to make sure it is OK to take)

Call for registration form and what to bring list.. FMI- Greg Odlin
