Taking on Crime and Violence in Chicago *Police officer and psychological counselor's strategies*

Wednesday, July 5, 2023 @ 2-3 PM EDT

Dr. Barbara Bunville, as a police officer and therapist, has witnessed firsthand the devastating impact of unlawful behavior and is committed to breaking the cycle of crime, violence and despair on the streets. Currently a candidate for City Council in Chicago's 6th Ward, she supports measures such as mandatory gun locks, advanced ballistics technology and frequent gun buyback events to reduce violence. She also advocates for roving tactical and citywide safety teams to address carjacking and theft. Additionally she emphasizes the importance of improving economic development and the quality of life in the ward by attracting businesses, streamlining rezoning and permitting procedures and investment in infrastructure. Her goal is to make the 6th ward a great place to live and raise a family.
