Murder of Son Drives Kansas City, Missouri faith leader to start multifaceted nonprofit

Wednesday, November 27, 2024 @ 2-3 PM EDT

Bishop Frank Douglas established a threepronged nonprofit organization after his son was shot and killed at the age of 23, leaving behind a daughter. The organization includes the Heart of the Father Initiative, Project Relentless, and the Innovative Seed Group, which aim to mend the bonds between fathers and their children, assist families of homicide victims through the court and grieving processes, and build community by providing organizational and strategic consulting plus life-skills coaching to individuals and couples. The initiative seeks to address violent crime among Black youth by addressing problems that contribute to it and promoting effective healing in the Black community through strengthening families.

With Special Guest: Bishop Frank H. Douglas, Jr.

STOPPING THE VIOLENCE
