

Sanctification of the New Ocean Providence Western HQ Office in Las Vegas

Steve Pierce
August 15, 2017

This Tuesday there was the sanctification of the new Ocean Providence Western HQ office.

Rev. Doo came to conduct the ceremony.

In attendance were Ocean Providence staff, centering on VP Jack Sato (newly arrived in Las Vegas), his wife Gloria, Mr. Ota of the restaurant division, plus our Japanese and Korean missionaries.

In his prayer, Rev. Doo emphasized True Parents vision and wish for all the oceanic industries.

He recalled the tireless efforts of those who had built and continue to build this providential sphere of activity.

He concluded by wishing great success on this new office, which joins all the other providential organizations and tribal messiahs that have made Las Vegas their home, in attendance to True Parents heart.
