Koror, Palau - UPF-Palau representatives Mr. and Mrs. Tim and Margaret Sisserson conducted a character-based abstinence education program at Belau Modekngei High School in Koror on October 30, 2025. The program was attended by 23 students and five faculty members.

The lectures emphasized moral guidance on avoiding harmful behaviors, encouraging students to complete their education, develop skills and build a career, as well as preparing for lasting relationships grounded in true love. The program received positive feedback from the principal, Ms. Nancy Renguul, and the students, who expressed appreciation for the practical and value-based insights.
